

🌟 The GAP Outstanding Girls Scholarship

Empowering Excellence. Investing in Potential.

The **GAP Outstanding Girls Scholarship** is more than financial support — it's a commitment to **equity, empowerment, and academic excellence**.

Each semester, the program identifies the **top-performing young women** in every class and awards them with **full tuition scholarships**. Girls who achieve the **highest overall grade average** across all subjects receive **free tuition** for the semester.

This scholarship rotates each term, encouraging a culture of **positive competition** and motivating girls to strive for academic success alongside their peers.

🎯 Our Mission

Through the **GAP Initiative**, we invest in the **minds and hearts** of girls who will go on to shape communities, lead industries, and change the future.

Together, we are building a **pathway for bright girls to become brilliant leaders**.

🏛️ Honoring Legacy: The Meaning Behind GAP

The GAP Scholarship was established by **BNB** to honor three exceptional women whose lives and values shaped the founders of the organization.

- **G** – *Gladys*: A mentor and role model to Isaac
- **A** – *Amiso*: Isaac's biological mother
- **P** – *Prudensia*: Prusevie's biological mother

These women — through their **wisdom, strength, and unwavering support** — inspired the vision of BNB and laid the foundation for this life-changing scholarship.

💡 Why It Matters

By supporting academic achievement and personal growth, the GAP Scholarship:

- Recognizes and rewards excellence
- Promotes gender equity in education

- Builds confidence and leadership among young women
- Creates a ripple effect of opportunity and empowerment
